ONGUMA DREAM CRUISER

The Dream Cruiser is Onguma's newest and most exciting addition for adventurers, romantics and those who like being close to nature will love this new experience.

Custom built onto a Land Cruiser, it offers guests the opportunity to spend a romantic and/or adventurous night in the wilderness of the reserve. Built on two levels, the Dream Cruiser features a full bathroom downstairs complete with shower, flush toilet and basin whilst the upper deck features a bedroom with lounge area. A ranger is on call via a two-way radio, so make the most of this time and relax in the safety and complete comfort of this unique space.
